

Application for HONOURS SCHOLARSHIP

Please note that this form only covers your application for a JCSMR Honours Scholarship – you will have to apply separately for admission to an ANU Honours program. All Honours programs at the JCSMR are run through one of the ANU Faculty Departments (e.g. Biochemistry & Molecular Biology). You are advised to contact the appropriate ANU Department to ensure that you qualify for enrolment in that Department's Honours program. Note that the different programs may also have different enrolment deadlines.

DEADLINE: 15 June (mid-year round) or 30 November (end-of-year round).

Please specify the JCSMR scholarship(s) you are applying for (tick one or more boxes).

John Curtin School Honours Scholarship (in medical sciences)	
Joyce Fildes Honours Scholarship (in medical sciences)	
Paul Bunyan Memorial Scholarship (in a field related to cancer research)	
Alexander McTaggart Memorial Scholarship (in cancer research & allied fields)

Guidelines for Referees

To assist the selection committee, please write no more than one A4 page reference outlining your opinion of the applicant's qualifications, experience, research ability and suitability for Honours level study. If possible, please comment on the abilities of the applicant relative to their peers. Please state in which year(s) of the applicant's student career you have known them and in what capacity, for example, supervisor during a vacation scholarship.

The reference is requested from you and, if supplied, received by the University on a confidential basis and on the clear understanding that the University will do everything in its power to respect and maintain that confidence. The report will be disclosed only to those immediately involved in the selection process.

DEADLINE: 15 June (mid-year round) or 30 November (end-of-year round).
