

How to get to the Clinical Suites of The John Curtin Medical School of Research (JCSMR) at the ANU

By Car

- Approach the ANU from **Clunies Ross St**
- Turn into **Dickson Rd** and travel to the first roundabout, turning **right** into **Daley Rd**
- Travel down **Daley Rd** and then turn left into **Ward Rd**, crossing Sullivans Creek
- At the next intersection turn **left** into **Garran Rd** (1).

and then **right** into the driveway directly after the crossing (2), at the sign (3).

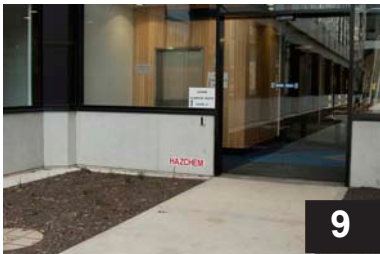

- Follow the driveway around the JCSMR building, clockwise (4), (5), (6).

- Pass the sign directing you to loading zone (7), to the rear of the building until you see allocated parking spots marked with the sign below and park in **Clinical Suites allocated spots** (8).

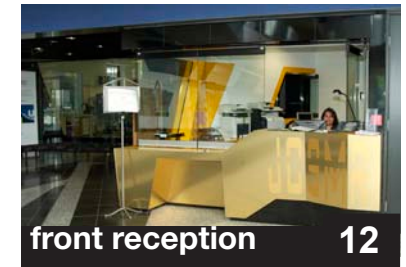

- Head to your **right** towards the double glass doors (9) and enter lift to second floor.
- Access to Clinical Suites is to your **right** as you exit lift (10), please press the buzzer and you will be led into the reception area.

By Bus

- **Action Bus # 3** stops at the corner of **Eggleston Rd** and **Garran Rd** on the ANU Campus. (see map on front)
- Disembark and proceed on foot down **Garran Rd** towards The John Curtin Medical School (11)
- Ascend the steps or ramp and enter through glass doors
- Register at reception desk (12) and staff will contact the study coordinator on **6125 3631**.
